Professional Summary

Motivated and detail-oriented Frontend Developer with practical experience in designing and implementing responsive, user-centric web applications using React.js, TypeScript, and TailwindCSS. Skilled in optimizing performance, debugging, and delivering scalable solutions. Proven track record of success in internships and projects, showcasing expertise in animations, responsive design, mobile-first design, component-based architecture, cross-browser compatibility, and Agile methodologies. Familiar with RESTful APIs, modern build tools like Vite, and best practices in version control and code quality.

Technical Skills

- › **Programming Languages:** HTML5, CSS3, JavaScript (ES6+), TypeScript, JSON
- › **Frontend Frameworks / Libraries:** React.js, Redux Toolkit, TailwindCSS, Material-UI (MUI), React Router, Vite
- › **Version Control / Tools:** Git, GitHub, VS Code, Postman
- › **Animations / Design:** Animate on Scroll Library, Responsive Web Design, Lottie, Mobile-first design
- › **Soft Skills:** Communication, Problem-Solving, Adaptability, Teamwork, Collaboration
- › **Development Methodologies:** Component-Based Architecture, Agile Development, Responsive Design Principles, Modular Development

Professional Experience

Frontend Developer Intern

Mindreams Infotech Pvt Ltd

July 2024 – Oct 2024

- › Developed and deployed responsive web applications using React.js and Material-UI, improving user engagement by enhancing UI design and performance.
- › Built scalable single-page applications (SPA) for e-commerce platforms, ensuring cross-browser compatibility and responsiveness.
- › Implemented dynamic animations with the Animate on Scroll library to elevate user interactivity and improve UI engagement.
- › Debugged and refactored codebases, optimizing performance, reducing load times, and aligning with project requirements.
- › Collaborated with back-end developers to integrate RESTful APIs and enhance user experience.
- › Participated in daily Agile sprints, improving development speed and maintaining project timelines.

Projects

E-Commerce Application

[Live Demo](#)

- › Developed a responsive e-commerce platform with React.js and Material-UI, optimizing performance, accessibility, and seamless navigation.
- › Created dynamic user interfaces using React Hooks, Redux, and Sass for a consistent experience across devices.
- › Integrated payment gateway, filtering options, and smooth animations to enhance user interaction and business solutions.

Linksphere

[Live Demo](#)

- › Designed and developed a fully animated web application with HTML, CSS, TypeScript, and React Vite, ensuring smooth visual transitions.
- › Styled responsive interfaces using TailwindCSS, ensuring cross-browser compatibility and user experience consistency.
- › Improved performance with lazy loading, code splitting, and advanced animations using the Animate on Scroll library.

Education

B.Tech in Mechanical Engineering

Sept 2019 – May 2023 PRIST University

Certifications

- › **Frontend Developer Certification** – T4TEQ Software Solutions
- › **Frontend Developer Internship Certification** – Mindreams Infotech Pvt Ltd
